Description

The wine

Naturally sweet red wine, PDO Patras.

Grape varieties

Mavrodaphne 70%, Black Corinth 30%

Vineyard

Sub-mountainous zone of Patras altitude 300 - 500 meters. Harvesting early September 24-27 ° Brix

In the winery

After delivery, the grapes are fermented and extracted in the tank for about 4 days under controlled conditions. Then the alcoholic fermentation is interrupted by adding alcohol, thereby preserving a part of the grape sugars in the finished product. The wine matures for at least 12 months in large oak barrels to develop its complex aroma.

Ageing potential: Ready to drink now, but with great ageing potential.

Characteristics:

Red colour with terracotta hues. Aromatic notes of dried fruit (plum, fig, raisin). Warm, sweet with notes of tannins that enhance its structure.

Food Pairings:

Ideal with salty dishes (spicy cheese dip), syrup desserts and fruits.
