Description

Appearance: Brilliant, golden yellow in colour with golden tinges. A lively stream of fine bubbles rises to the surface, creating a pronounced mousse. Nose: The nose initially reveals a toasty, dried-fruit character, with almonds and hazelnuts, and also flowers (violets). More intensified secondary aromas offer concentrated stewed fruit flavours (pineapple and papaya) and liquorice. Palate: Rich and powerful on the attack with an abundance of poise. A pleasing sensation of supple tannins and structure on the finish.
