Description

**Delamain Réserve de la Famille**

**Grande Champagne Cognac**

**Growth:** 100% Grande Champagne.

**Origin:** Selection from local growers' distillers.

**Totally unblended:** single vineyard and single cask.

**Age:** The maximum length a cognac can improve in cask.

**Cask:** Matured in well-seasoned Limousin oak casks (350L).

**Cellar:** Old cellars near the river, more humid than dry.

**Style:** Our standard of perfection. Extraordinary delicacy in a rich flavourful cognac.

**Bouquet and savour:** From a cask to another one, the cognac is different but, to our mind, always a diamond of unmatched purity miraculously carved by nature.

**Colour:** Each cask imparts its own colour to the cognac : no regularity but generally paler and more brilliant than most of the other top of the range cognacs.

**Natural strength:** 43% vol.

**Name:** "LA RESERVE DE LA FAMILLE", an exceptionally rare cognac, the kind of cognac we reserve for our guests and friends.
